
Note: Existing Land Use determination was derived using Pender County Tax Department Building Data, field "building-type", which was collected in 2001 by wind-shield survey by the Tax Department. Current windshield surveys for the 2003 Land Use Plan were performed as needed.

The preparation of this map was financed in part through a grant provided by the North Carolina Coastal Management Program, through funds provided by the Coastal Zone Management Act of 1972, as amended, which is administered by the office of Ocean and Coastal Resources Management, National Oceanic and Atmospheric Administration.
