

Rules for Grill Usage

Town of Surf City

Department of Parks and Recreation

- Only **gas grills** may be used.
- No grills may be used under a shelter.
- Grease must be contained in the grill or caught in an attached tin can.
- Do not dump grease anywhere on the property (especially on the grass or in/near the water).
- Grills must be at least 30 feet away from the playground area.
- A 10ft. radius (all four sides) must be blocked off around each grill as a safety zone (you can use cones and caution tape).
- Do not leave grills unattended while in use.
- You must have a working fire extinguisher at the cooking area during your rental.
