

COMMENT CARD

First Citizens Informational Workshop - June 25, 2009

If possible, please return this "Comment Card" before leaving tonight.

Your answers to the following questions will help the NCDOT team as they move forward with project development. Please provide your comments in the space below and return this form to a Project Team Member or place it in the "COMMENT BOX". Thank You!

Name: _____

Address: _____

1) How often do you travel over the bridge (via automobile), or under/through the bridge (via boat)?

2) How does the bridge support your community or business?

3) If the bridge were closed short-term or long-term, how would this impact you?

4) How are you affected by delays due to the opening of the swing bridge?

5) Do you use the bridge at North Topsail to avoid delays at Surf City?

COMMENT CARD

First Citizens Informational Workshop - June 25, 2009

If possible, please return this "Comment Card" before leaving tonight.

6) Do you think a high span bridge similar to the bridge at North Topsail is appropriate for the existing bridge replacement? How about a bascule bridge?

7) Should the new bridge accommodate pedestrians and bicyclists?

8) Based on the information available, were all substantial questions answered? Yes No

9) Were display maps and handouts easy to read and understand? Yes No

10) Were NCDOT representatives understandable, helpful and clear in their explanations? Yes No

11) How might we better present proposed projects and address citizens' concerns in future workshops?

12) Do you have any additional comments or any specific issues or ideas that you would like to share concerning the bridge replacement?

If you are not able to fill this form before you leave tonight, please mail it before July 10, 2009 to the address below:
